

Marathon Electric / EIS Inc. "Parts Plus" Program

Marathon Electric and EIS Inc. are pleased to announce the formation of our **"Parts Plus"** program for Marathon Electric motor service parts. The effective date will be June 1st, 2007.

Beginning in June 2007, *all* motor parts inquiries for Marathon Electric motors will be referred to the nearest EIS branch, located strategically throughout the United States and Canada. See the listing below for EIS locations and contact information.

Marathon Electric has equipped EIS with all of the necessary systems to research parts data for motors. However, effective with this announcement, we will no longer provide service parts for motors over 10 years old, as this information is no longer available in Marathon's database.

Stock parts include: Capacitors, Capacitor Covers, Switches, Overload Protectors, Bearings, Brushes, Brush Holders (PMDC), Fans, Fan Guards, Conduit Boxes & Covers, Bases, and most standard Endbells (brackets). **Non-Stock parts include:** Shafts, Rotor Cores, Stator Cores, Frames (housings), and Accessories such as encoders, brakes, and blower assemblies. Non-Stock parts orders will be subject to minimum billing and extended leadtime.
